WHO WE ARE

Joshua and Candy Carpenter are the hearts behind The Band Wanted. The Band Wanted plays Original Country Music, (made famous by Johnny Cash, Patsy Cline, George Jones and Dolly Parton), as well as current Country hits, classic rock favorites, gospel and some award winning originals of their own. Additionally, Candy and Joshua are loved for their smiles and their beautiful harmony, both on and off the stage. Joshua's unique style of piano playing is remarkably mesmerizing. Their dream of singing and traveling together was born in Colorado where they were married and have three grown children. Candy says, "We want to inspire others to be the best versions of themselves by being the best version of us!!"

"A fantastic set. Songs I hadn't heard in far too long. Both Joshua and Candy have amazing voices. I especially enjoyed their rewrite ..... We had a lot of fun. They are true entertainers and we hope to catch them again!"
