

To whom it may concern,

On September 16 and 17, 2022, the Santa Cruz County Fair was held at The Sonoita Fairgrounds in Sonoita, Az. As the Fair Chairperson, I hire all of the entertainment for our three day event. We were so happy and fortunate to have hired "The Band Wanted" out of Tombstone, Az. The audience absolutely loved them! They have such a stage presence and come well prepared to entertain. They make the audience feel so connected to the stories they tell and everyone seems to really enjoy themselves.

Joshua and Candy are so easy to work with. They even helped out with material to promote them playing at our venue.

I would highly recommend them for their professionalism, great choice of music and their ability to connect with their audience.

Sincerely,
